Florida Jurat for Signature by Mark

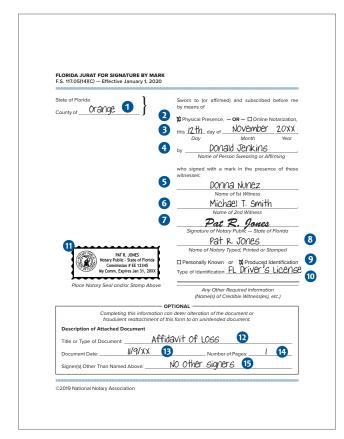

The Signature by Mark is used when a principal signer is unable to sign his or her name on a document, and instead signs with a mark or "X." In addition to the Notary, two disinterested witnesses to the signing by mark are necessary. Both must be present to see the principal make the mark. The witnesses should sign the document. The Notary prints the signer's first name at the beginning of the signature line and the last

name at the end, and prints the words "His (or Her) Mark" below the mark. The Notary must administer an oath or affirmation to the signer.

The optional section at the bottom can deter alteration of the document or fraudulent reattachment of this form to an unintended document. The insertions in this section are not required by law. Failure to fill out this section will not affect the validity of the certificate.

Instructions:

- **1 NAME OF COUNTY** where Notary performs notarization.
- 2 HOW SIGNER APPEARED for the notarization. Check the appropriate box to indicate whether the signer appeared 1) physically in front of the Notary, or 2) remotely by means of audiovisual communication (second option for authorized Online Notaries effective January 1, 2020).
- **3 DATE OF NOTARIZATION.** Actual day, month and year in which signer appears before Notary.
- NAME OF SIGNER appearing before Notary. Initials and spelling of name should agree with names on document and ID card.
- **5** NAME OF FIRST WITNESS.
- **6** NAME OF SECOND WITNESS.
- **7 SIGNATURE OF NOTARY,** exactly as name appears on commissioning papers and in seal.
- **3 NAME OF NOTARY,** typed, printed or stamped, exactly as name appears on commissioning papers, in space 7 and in seal.
- HOW SIGNER WAS IDENTIFIED. Check the first box if signer is personally known to Notary. Check the second box if Notary identifies signer through either (a) identification documents (ID cards) or (b) oath of credible witness(es).

10 TYPE OF IDENTIFICATION.

If not personally known to Notary, how signer was identified: either (a) ID cards, indicating card's type or (b) credible witness(es), indicating name of each witness. If there are no credible witness(es), line through this space to prevent later unauthorized insertion of a name(s).

11 NOTARY SEAL IMPRINT, clearly and legibly affixed.

SPACES 12-15 ARE OPTIONAL.

Omission of information here will not affect the document's validity. However, completing these spaces can deter alteration of the document or fraudulent reattachment of this form to an unintended document.

- 12 TITLE OR TYPE OF DOCUMENT notarized, such as "Affidavit of Loss."
- **(B) DATE OF DOCUMENT** notarized. Most but not all documents will have a date, usually at the top or following the signature. If none, write "No Date."
- (4) NUMBER OF PAGES in the notarized document. This may point out fraudulent addition or removal of pages. Do not count the certificate as a page. However, the certificate will be regarded as a page by recording officials in assessing recording fees.
- **SIGNER(S) OTHER THAN NAMED IN SPACE 4.** Since all signers might not be named on the same notarial certificate, insert name(s) of signer(s) here that appear(s) or will appear on other certificates as many as space allows. If none, write "No Other Signers."
